PRIVILEGED AND CONFIDENTIAL:

You'll remember that PM USA Corp. Affairs contributed \$600,000 in '95 to get this Network, organized by Rick Berman, up and running. Berman is now looking for another \$300,000, principally for an educational newsletter, and Corp. Affairs wants to contribute. As of this writing, PM USA is still the only contributor, though Berman continues to promise others any day now.

I think it's still a business call, but you'll ultimately have to sign off on the contribution: you OK w/this? Thanks.

4/23/96 — Denise OK, so long as limited to newsletter.
— Ask to Liz Weller, re same; request
her to draft letter for review
